

Mayors in Action - Webinar Series: Engaging communities in SEAPs' implementation

Monday, 27 April 2015, 11:00 – 12:30 CET

Engaging citizens and citizen-led initiatives when implementing sustainable energy actions and policies can help to reduce opposition to renewable energy within the community, increase energy efficiency through behavioral change, and can support leveraging local private investments that would not be available otherwise.

Programme:

- 11:00 – 11:15 Welcome and set the scene - *Giorgia Rambelli, ICLEI Europe*
- 11:15 – 11:45 Rubí Brilla: engaging stakeholders into an integrated energy strategy – *Rubi, Spain*
Questions & Answers
- 11:45 – 12:15 Community energy and SEAPs – *Tipperary Energy Agency, Ireland*
Questions & Answers
- 12:15 – 12:30 Wrap up and upcoming opportunities
