

Join the MAYORS in ACTION coaching programme!

Open call for participation to Coordinators and Supporters (C&S) of the Covenant of Mayors (CoM).

The Mayors in Action project focuses fostering and empowering C&S in selecting, adapting and channeling good practices for the implementation and monitoring of existing SEAPs. C&S and municipalities can take part in targeted training, tutoring and coaching schemes.

C&S from across Europe are invited to participate in a tailor-made twinning programme on strategies for evaluation of SEAPs, methodologies for implementation, methods for triggering financial opportunities, and how to improve communication and support with municipalities.

Selected C&S can benefit by participating in an international coaching and peer-review scheme. In addition, national trainings for C&S will take place in Belgium, Croatia, Greece, Italy, Poland, and Spain.

All existing and potential C&S will have access to the selection of tools and methodologies made available by the project.

Tutoring C&S of the MAYORS in ACTION consortium will support Trainee C&S in the implementation of local activities. Tutoring C&S will guide their Trainee C&S, providing them with support, consultancy, and good practices about implementation and monitoring of SEAPs from both technical and institutional aspects. Each Trainee C&S will keep in constant contact with its Twin-trainee C&S, monitoring and reporting the development of their actions.

Tutoring and peer-to-peer support will be provided through consolidated communication channels such as face to face meetings and workshops, a private area of the project website, video conferences via Skype.

The twinning programme kicks off in [Barcelona on 2-3 October 2014](#), where the possibility for external C&S to get tutoring by a partner will be given.
